

Flight Line Cafe & Event Center

March, 2013

~ Seeking a Restaurant Partner ~

To find the perfect partner, our company has hired a Restaurant Broker. This broker has been seeking out an existing business in the restaurant industry for the dedicated 10,000 sq ft. portion of the building. This new partner will lease the north-east portion of the facility, and operate a restaurant as part of our project design. A strong partnership will greatly aid our overall financial plan of the project and livelihood of the company. Even though we have a broker, if you or someone you know is in the restaurant industry who's interested, have them [contact us](#) for partnership information.

Become a Share Holder!

We have come a long way towards reaching our goal of creating this new facility. Resolving site issues and a new MAC agreement is a step in the right direction, but we need support from the community to continue moving forward. Our immediate task is to sell the balance of our shares to continue funding the project and reach our financial goal in order to secure bank financing. If you or anyone you know who may be interested in getting in on this [ground floor opportunity](#) by participating in our share offering, please contact us as soon as possible

Our Gift Shop!

We are happy to announce our new online gift shop is making sales! We continue to grow our inventory listings, and sell items to enthusiasts.

~ Prop Club Discount ~

Reminder... all Prop Club members receive a 15% discount on all Gift Shop items. To find out more about our membership, click these propellers.

before all the shares are sold and the offering is closed.
